Randolph County communities thrive when ...

... people can meet their basic needs

- Rent is unaffordable for 45% of renters
- 13% of people don't have health insurance
- There is one mental health provider for every 900 residents

... good jobs are accessible to everyone

- There are 7 candidates for every job opening*
- The number of people working was about the same from Feb. 2020 (pre-COVID) to Dec. 2023
- The number of people working decreased by 10% from Dec. 2007 (pre-Great Recession) to Dec. 2023

... the economy works for everyone

- 38% of residents are considered low-income (less than \$59,900 for a family of four)**
- The richest 5% of households make an average of 19 times more than the poorest 20% of households

* Candidates include all people willing to work in the county, regardless of county of residence

** A family of four is considered low-income if they make below 200% of the poverty level, or \$59,900 in 2022, the most recent year with available income data.

Table 1: Poverty and Economic Hardship

	County	State
